RESPONSE TO OFFICE ACTION

Commissioner for Patents

Washington, D.C. 20231

In response to the Office Action of 5 November 2002, applicants hereby respectfully request further examination and reconsideration in view of the following remarks.

REMARKS

Applicants' agent wishes to thank the Examiner for the examination of the above-identified Application.

Allowance of Claim 4

Applicants' agent wishes to thank the Examiner for the allowance of Claim 4 as amended in the previous response in accordance with the Examiner's statement of allowable subject matter in the first Office Action.

Withdrawal of Previously Indicated Allowability of Claims 19 Through 25

Applicants previously amended Claim 19 in accordance with the Examiner's statement in the first Office Action of allowable subject matter. However, in the present Office Action, the Examiner stated that "[t]he [previously] indicated allowability of claims 19-25 is withdrawn in view of the newly discovered reference(s)" and that "[r]ejections based on the newly discovered reference(s) follow."

Applicants' agent respectfully avers that this withdrawal is contrary to the clear direction provided in MPEP 706.07 and in MPEP 707.07(g) against piecemeal examination and against "[s]witching...from one set of references to another by the examiner in rejecting in successive actions claims of substantially the same subject matter" (MPEP
